

SOUTHEASTERN YOUTH FAIR  
MARKET ANIMAL  
THANK YOU LETTER MINIMUM GUIDELINES

Please see GENERAL RULES for more specifics and deadlines.

Example 1:

Dear Mr. White,

My name is Judy Jones and this is my second year raising a lamb to participate in the Southeastern Youth Fair. I am a member of the Sunshine 4-H Club and attend Woods High School. I appreciate your support of the Fair and young people.

I enjoyed my project, Jasper, very much. Jasper was a lot more work than last year's project. My biggest challenge was scheduling, with school, playing basket ball, and church activities. It seemed I was always on the go and not much time to just hang with friends.

Thanks you for purchasing Jasper. I also want to thank you for supporting the Fair and giving of your time to see us show and sell. 10% of my income goes to the Special Olympics, 75% goes into savings, and the other 15% is my spending money. Thanks again for your support.

Sincerely,

Example 2:

Dear Uncle Jim & Aunt Helen,

Wow, thank you for all your support of my hog project, Lacy this year. You came to the show and then at the sale you bought Lacy for more than I expected. I am thankful for family members like you.

I love participating in the Fair. As you know, I have about 100 hours in this project, plus feed, grooming supplies, and of course the new gate I had to install on my pen. Lacy rooted and rooted until she managed to tear up the gate and escape. After the new one was in place, she didn't escape again.

I'm so lucky to have you all in my life. I'm banking most of the money, but I get to buy one new Wi game. Thanks again for you time and making my Fair experience the BEST!

Love,
