Leadership. Women that lead as well as they serve are hard to come by, but this award was named for such an individual. Bertie Hill is one of the most active and outstanding members of the Marion County Cattlewomen. In hopes of encouraging these same attributes in the girls participating in beef projects, the Bertie Hill Award was established. Each year an engraved tray is given to recognize a deserving girl.

TO QUALIFY

You must be a high school girl participating in the SEYF Beef Heifer project as a FFA or 4-H member. You must display outstanding character, integrity, citizenship, and demonstrate excellent leadership skills. You must have shown beef heifers in prior years at the SEYF. You must be knowledgeable and demonstrate an overall interest in the beef industry. Record keeping is essential in the beef industry. Therefore, an outstanding record book is required.

*Marion County Cattlewomen reserve the right to interview candidates as deemed necessary by selection committee.

AWARDS

Chosen candidate will receive an Engraved Tray presented by the Marion County Cattlewomen.
