**Southeastern Youth Fair Ag Dash**  
**5K:**  
February 25, 2023

Dear Prospective 5K Sponsor,

Thank you for considering sponsorship of our 4th annual "Southeastern Youth Fair Ag Dash," a 5K race to kick off our 2023 Youth Fair!

The Southeastern Youth Fair has been teaching life lessons to Marion County youth for over 80 years. We are a not-for-profit all youth Fair that teaches responsibility, marketing, communication, and record keeping skills to over 1,100 exhibitors each year. We are actually the *oldest* all-youth fair in the *country!* Sponsorships like yours are the backbone of the Fair. Your sponsorship will help to cover the operating expenses that go in to holding a community race, which includes security, supplies, permitting, shirts, and medals. As a sponsor, your business name or logo will be included on the race shirts! Last year our race medal was a chicken silhouette! This year, it will be a goat silhouette. Every year we will showcase a different fair animal so that runners can collect a different one each year! Our runners also get the unique experience of being greeted at the finish line with cowboys & cowgirls on horseback! It's a truly wonderful time and we are excited to have the same tremendous turnout that we enjoyed last year.

Our 5K Committee would like to thank you for your consideration in being a sponsor. We are thrilled that this event has become a great tradition in our community. It is our largest fundraiser for the Youth Fair and we are very appreciative of all contributions to make the event a success. The funds raised are greatly needed to help sustain the Southeastern Youth Fair for years to come. Without community & business leaders like you, the Southeastern Youth Fair Ag Dash (and our Fair's success) would not be possible. Checks can be made to the Southeastern Youth Fair. Please reach out if you have any questions and we hope to see you at the 2023 Fair!

Thank you in advance for supporting agriculture, fitness, and the youth of Marion County!

Sincerely,

*Sara LeFils*
