HORSE SHOW

ANIMAL FEVER

I know that ceramics are limited and it's first come-first served – how do I know if I get a ceramic?

The computer will not allow you to make an entry for Animal Fever when we are maxed out, so if you successfully make an entry and get a receipt, that means you have paid for your entry & ceramic too (the fees are combined) and you can come into the SEYF office at ANY time to pick up your ceramic!

PHOTOGRAPHY

I have selected the Photography Contest – what else do I need to do besides my entry?

Your child can choose to submit **UP TO** three photo submissions (make sure to read this year's categories to know what to submit). Each photo must have a white photo matte purchased from the SEYF office. You can choose to make that purchase online OR in person. They are \$5 each. You will see the option to choose this online around Step 6 in Showworks (Exhibitor Fees).

HOME ARTS – KITCHEN – SEWING

For these contests – you only have to complete ONE entry, but your child can submit multiple projects within the show's guidelines. See the RULES online for each show's categories and submission rules.

LIVESTOCK JUDGING

Entries for this contest aren't due November 15th – you have til February to make these entires, but because it often confuses, I thought it'd be nice to try to explain it now. You can enter as an individual. If you'd like to be part of a team, you must also enter as an individual. Then your leader will enter a team entry. He/She can build her team only from the kids who are entered individually. Only leaders can enter "team" entries. Make sure you do an "individual" entry so that he/she can add you to the team!
