Signature indicates you agree to abide by ALL rules pertaining to the 2025 SEYF Beef Heifer/Cow Production Show.
4. A RFID or EID assigned tag and a physical description is required on all animals. The tag is to be SCANNABLE and, in the heifer/cow's physical ear, RFID or EID tags will not be accepted if they are placed in another tag. This also includes leased animals. If a tag falls out, the coordinator must be notified IMMEDIATELY with proper documentation that includes legible photographs and written statement with exhibitor information and animal identification. Coordinator reserves the right to visit the animal to inspect the RFID tag if it falls out. Please see RFID application instructions under resources on the SEYF Beef Heifer website.

Animals leased must conform to general rules and show rules. A complete Southeastern Youth Fair Lease Agreement with all signatures must accompany the entry form by entry deadline. A Heifer/ Cow must be shown by the same Exhibitor each year unless the said heifer/cow was not shown the previous year. All lease agreements are subject to approval by the show coordinator.
9. The beef heifer committee reserves the right to visit the location where the heifer will be housed.
10. Horned animals are allowed, but horns must be blunt tipped.
11. Animals must be of standard grade or better. All heifers/cows must exhibit a predominance of the beef breed and are to be shown in normal breeding condition.
12. The Committee reserves the right to review any entries and may disqualify any animal or exhibitor due to misconduct from the show, if it is determined to be in the best interest of the overall show. Any decisions made by the Committee or its designee concerning these rules are conclusive. Any animal disqualified from the show must leave the premises immediately.
